

UK LASER SUPPLIES COMPANY RESPONSIBILITIES

We are satisfied that establishing and enforcing appropriate measures to control and monitor Health and Safety procedures is a vital part of running our business as an efficient and successful operation. To this end we have made a commitment to:

- Ensure that plant and working practices are safe and offer no risk to the health of our employees.
- Ensure that all necessary precautions are taken in respect of the safe use, handling, storage and transport of material and substances.
- Provide such information, instruction, training and supervision as is necessary to ensure the Health and Safety at work of all employees.
- Maintain all places of work, equipment, and transport under our control in a safe condition, free from risk to health.
- Provide adequate facilities for the welfare of employees.
- Safeguard the health and safety of visitors and any member of the general public who could be affected by our activities.
- Provide all necessary information relating to health and safety in respect of processes, products and services.
- Review and update the policy as and when necessary particularly in respect of major changes within the company and/or changes in legislation, and to bring these changes to the attention of all employees.
